Broome Civic Centre

# *Welcome to* **BROOME'S MOST VERSATILE EVENTS VENUE.**

From conferences to community meetings and parties to performances, Broome Civic Centre has a space to suit events of all sizes. This iconic Broome landmark has been cleverly refurbished and includes electronic presentation equipment, technical support staff, catering facilities and a fully operational bar.

Instead of providing full events services, the Broome Civic Centre gives you access to a variety of events support services, which will allow you to self-cater, or select from a good quality range of local options.

# Jimmy Chi Hall

**The main hall area seats 400 at capacity in theatre style seating, or can be configured with tables and chairs for conferences or dinners, or set up as an exhibition space.**

***This includes access to:***

- Deluxe guest seating and circular tables
- Air conditioning or optional use of bifold doors and airflow louvres
- Lighting and AV capabilities with technical support staff
- Raised wooden stage with curtains, tabs and cyclorama, and theatrical infrastructures
- Backstage area with loading dock and scissor lift to stage level
- Wheelchair ramp access and lift access to stage
- Holding/change areas with universal access shower and toilets
- Servery access to caterers' kitchen
- Picture hanging tracks and free standing exhibition display panels

# *Pigram Garden Theatre*

**With a theatre seated capacity of 350, this covered outdoor venue is also ideal for large functions during the temperate months of the year.**

It features a gently terraced floor allowing seated audience viewing of the ample stage area.

The Garden Theatre also doubles as a breakout venue for larger Jimmy Chi Hall events.

It has window servery from the fully operational bar facilities.

Suitable for a range of casual functions, it offers access to:

- Separate AV room
- Covered outdoor stage with lighting and audio capabilities
- Theatre style seating
- Verandah area for pre-function events
- Fully operational bar

**For smaller functions, meetings or workshops, the Sammy Room offers a unique Broome flavour.**

Its special feature is the massive glass case in which Sammy the Dragon sleeps between annual Shinju Matsuri festivals. It has a standing capacity of up 99 people.

This smaller space is easily set up for meetings, workshops, pre-function gatherings or as a breakout space for larger events. Easy access to kitchen or bar facilities makes it an intimate presentation or cocktail venue.
